

SUBJECT : Arrangements for NASA
Briefing on 6 July

1. When NASA could not make the 28 June date for the briefing, I changed it to 6 July (1030-1230). This is agreeable to DDI and NASA.

2. [REDACTED] raised a problem today which I would like to discuss with you by mid afternoon. It is necessary for me to call [REDACTED] after I get your reaction and then call [REDACTED] and/or [REDACTED]

3. The matter will only take 2 or 3 minutes for discussion with you.
